2024 Guidelines

Live Arts, Film & Music

Overview

Kresge Artist Fellowships are \$40,000 awards plus professional development support for emerging and established metro Detroit artists. Fellowships recognize creative vision and commitment to excellence across a wide range of artistic disciplines, including artists who have been academically trained, self-taught artists, and artists whose art forms have been passed down through cultural heritage.

Gilda Awards are \$5,000 prizes for emerging artists, named in honor of artist, College for Creative Studies professor, and 2009 Kresge Artist Fellow Gilda Snowden (1954–2014).

Fellowships and Gilda Awards are no strings attached awards, meaning artists may spend the money on any aspect of their creative practice or life (i.e. making new work, renting or purchasing studio space, travel, general living expenses, paying off debt, et cetera).

25 Fellowships and 10 Gilda Awards

In 2024, there will be 35 awards in total—25 Kresge Artist Fellowships and 10 Gilda Awards. Fellowships and Gilda Awards will be divided between the two categories—Live Arts and Film & Music—based on the relative number of applications received in each category.

Applications are only available and accepted online at:

Collaborations

Artists who have an ongoing, demonstrated history of collaborating may apply together with one collaborative application.

In addition:

- Applications must include 1 primary applicant and up to 4 additional collaborators, and
- Each member of the collaborating group must meet all eligibility requirements, and
- Work samples must only include work that the collaborating artists created together, and
- Statements and work samples must convey the shared history, goals, experience, and work of the collaborating group.

Selection

Fellowship Selection Criteria

Kresge Artist Fellowships recognize artists who have:

- A demonstrated track record of artistic achievement and high quality work (*this is the main determinant in the selection of a fellow*), and
- The potential to grow and advance in their artistic career, and
- The potential to reflect, enhance, or impact communities within metro Detroit.

Gilda Award Selection Criteria

Gilda Awards recognize artists who:

- Are early in their careers, and
- Are gaining momentum, and
- Demonstrate exceptional potential through creative risk-taking and pushing the boundaries of their chosen art form.

In the online fellowship application, you will be asked to note if you would like to be considered for a Gilda Award—there is no separate application for this award. Your answer does not impact whether you will receive a Kresge Artist Fellowship.

Selection Panel

All applications will be reviewed by a panel consisting of national and local artists and arts professionals. Panelists will remain anonymous until the Kresge Artist Fellows and Gilda Award recipients are announced in summer 2024.

New panels are convened each year to review applications. Previous applicants are strongly encouraged to re-apply!

Kresge Arts in Detroit believes an equitable and just society ensures individuals of all backgrounds and identities are able to fully thrive. In the visioning, planning, and implementation of the program, we are committed to dismantling the historic and systemic mechanisms of oppression that exist within the arts and culture sector. Utilizing a racial equity lens and anti-oppression approach, we strive to ensure that our work contributes to an environment that, collectively, supports all artists of metro Detroit.

Dos & Don'ts

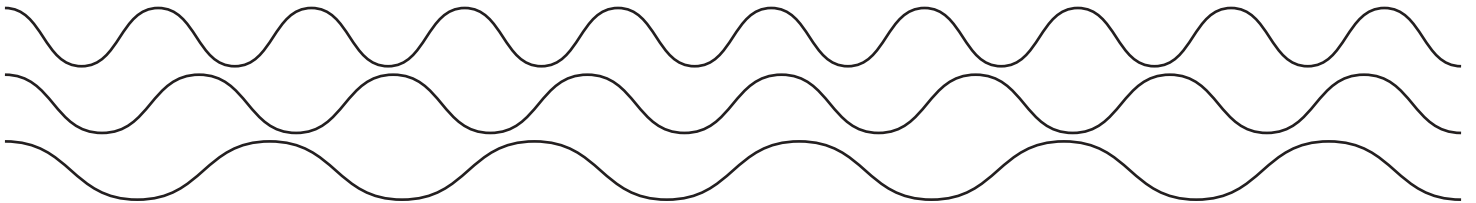

Recommendations

- Keep formatting simple. **Bold**, *italic*, and underlined text will not be saved in the online application.
- Present your strongest work first. Panelists review work samples in order.
- Edit your work samples to begin and end where you want the panel to begin and end.
- Make sure the documentation of your work samples is of the highest possible quality.
- Do not submit 8 work samples if you feel your practice is well represented with fewer.
- Include some examples of **recent creative work** (i.e. work made within the past 5 years). You may also include older work.
- Ensure your statements are easy to understand, even to someone outside of your creative discipline.
- Relate your statements clearly to the work samples included in your application.
- Statements may be short. A longer statement is not necessarily a better statement.
- Ask a family member, friend, or colleague to read your statements to make sure that they are clear.

Requirements

Applications that fail to adhere to the following guidelines may be deemed ineligible:

- **1 work sample = only 1 work**
You may include different parts of the *same* work in a single work sample. You may not include sections of *different* works in a single work sample.
- No more than 8 work samples should be represented in your application.
- Do not include materials designed for promotional purposes (i.e. trailers, reels, flyers, interviews, press clippings, album covers, or compilations).
