

2025 KRESGE ARTIST FELLOWSHIP APPLICATION GUIDELINES

OVERVIEW

Kresge Artist Fellowships are \$50,000 awards (up from \$40,000) for emerging and established metro Detroit artists. Each fellowship award includes career support and the creation of a short film showcasing the artist's work. Fellowships recognize creative vision and commitment to excellence across a wide range of artistic disciplines, including artists who have been academically trained, self-taught artists, and artists whose art forms have been passed down through cultural heritage.

Gilda Awards are \$5,000 prizes for emerging artists. The award is named in honor of artist, College for Creative Studies professor, and 2009 Kresge Artist Fellow Gilda Snowden (1954–2014).

Fellowships and Gilda Awards are no strings attached awards, meaning artists may spend the money on any aspect of their creative practice or life (i.e. making new work, renting or purchasing studio space, travel, general living expenses, paying off debt, and so on).

15 Fellowships and 10 Gilda Awards

In 2025, there will be 25 awards in total: 15 Kresge Artist Fellowships and 10 Gilda Awards. Fellowships and Gilda Awards will be divided between the two categories—Literary Arts and Visual Arts—based on the relative number of applications received in each category.

Applications are only available and accepted online at: kresge.slideroom.com

COLLABORATIONS

Artists who have an ongoing, demonstrated history of collaboration may apply together with one collaborative application. Each member of the collaborating group must meet all eligibility requirements.

In addition:

- Applications must include 1 primary applicant and up to 4 additional collaborators, and
- Work samples must only include work that the collaborating artists created together, and
- Statements, biographical information, and work samples must convey the shared history, goals, experience, and work of the collaborating group.

SELECTION

FELLOWSHIP SELECTION CRITERIA

Kresge Artist Fellowships recognize artists who have:

- A demonstrated track record of artistic achievement and high quality work (this is the main determinant in the selection of a fellow), and
- The potential to grow and advance in their artistic career, and
- The potential to reflect, enhance, or impact communities within metro Detroit.

GILDA AWARD SELECTION CRITERIA

Gilda Awards recognize artists who:

- Are early in their careers, and
- Are gaining momentum, and
- Demonstrate exceptional potential through creative risk-taking and pushing the boundaries of their chosen art form.

In the online fellowship application, you will be asked to note if you would like to be considered for a Gilda Award—there is no separate application for this award. Your answer does not impact whether you will be considered to receive a Kresge Artist Fellowship.

SELECTION PANEL

All applications will be reviewed by a panel consisting of national and local artists and arts professionals. Panelists will remain anonymous until Kresge Artist Fellows and Gilda Award recipients are announced in the summer of 2025.

New panels are convened each year to review applications. Previous applicants are strongly encouraged to re-apply!
